SUMMARY

Growth marketer with 5 years in B2B SaaS and agency work, running paid search, paid social, and lifecycle email. Comfortable owning a budget, building the dashboards to track it, and turning test results into the next plan.

EXPERIENCE

Software Company City, ST
Marketing Manager Apr 2023 – Present

- Own a **$600K** annual paid budget across Google Ads, LinkedIn, and Meta; cut cost per qualified lead by 28% in one year
- Built the lifecycle email program in HubSpot (onboarding, nurture, win-back), lifting trial-to-paid conversion from 9% to 13%
- Relaunched the company blog with an SEO content plan, growing organic traffic **2.3x** in 12 months
- Ran 40+ A/B tests on landing pages and ads, and set up the shared test log the whole team now uses
- Manage one marketing coordinator and two freelance designers

Marketing Agency City, ST
Marketing Associate Jun 2021 – Mar 2023

- Ran social media calendars for 6 retail and hospitality clients across Instagram, TikTok, and Facebook
- Wrote campaign briefs and ad copy; a spring campaign for a local restaurant group raised reservations 35%
- Built monthly performance reports in Google Analytics and Looker Studio for client reviews

Bookstore City, ST
Marketing Intern Jun 2020 – Dec 2020

- Grew the store newsletter from 1,200 to 4,000 subscribers with a weekly staff-picks format
- Planned author events that regularly drew 80+ guests

EDUCATION
